Attitude To Learning

So learning is about so much more than just being here, it's about being the best student you can. Giving your best effort 100% of the time, even when you may find things tough! For the next 10 minutes I want you to really think hard and reflect on your 5 R's. What progress are you making and how does your attitude towards your learning affect this? Give yourself a score of 1-4 for each R. Below each score set yourself a target to improve. If you are a 1, explain why.
