

Westfield's Fiction Reading Journey

...and beyond...

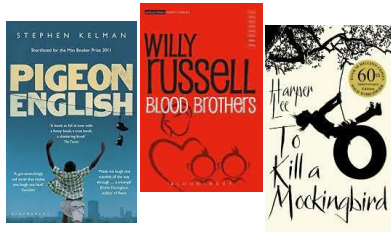

Poetry

In all years students read a variety of poetry that focuses on diverse voices across the centuries.

Y9

Independent Reading

As part of their fortnightly library lessons, all Y7 and Y8 students are supported to choose their own independent reading book

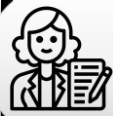

PDT Reading

As part of the PDT curriculum in Y7-Y10, tutors model reading aloud a range of cutting edge voices, including literary non-fiction

Meet an Author

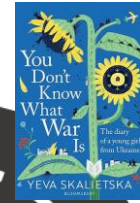

We offer all of our students the opportunity to meet at least one author and one poet

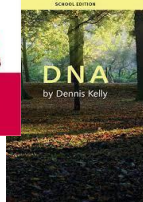

Y7

Book Groups

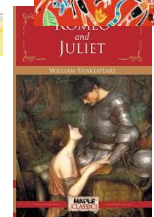

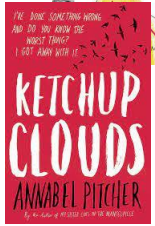

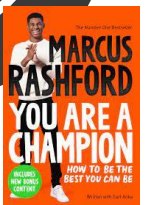

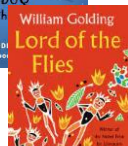

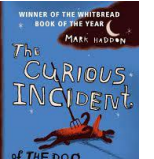

There are both Y7-Y8 and Y9-Y11 book groups that meet regularly. The groups read a range of books and shadow book awards

KS4

Y8

Our Library

Is named after famous sports journalist and former student, Vikki Orvice, whose legacy contributes to our extensive non-fiction section

Reading for Pleasure

All the novels we read across the school open links to other texts, which are stocked and promoted in the library
